

Celebrated for nearly 20 years, the Fairmount Park Horse Show is held in the spring each year at Northwestern Equestrian Facility. This premier equestrian event provides an opportunity for horse enthusiasts to watch students from Northwestern Stables lesson program and other park stables showcase their talents in a schooling show.

The horse show is fun for the entire family - even if you don't know a rider participating! We will also have food and fun raffle prizes.

Through riding lessons and other equine related programs our students come to understand responsibility, community, compassion, and self esteem.
